Home > Document Center

Document Center

The Document Center allows you to store all your relevant documentation. The "COLA Documents" section is viewable by both you and COLA personnel working on your Accreditation process. All the other areas of the Document Center are for your use within your Laboratory. You can visit the Solutions Template Library for helpful document starters.

 View Solutions Template Library

DOCUMENTS IN THESE AREAS ARE FOR YOUR USE ONLY AND NOT VIEWABLE BY COLA PERSONNEL

 COLA Correspondence	 Policies & Procedures	 CLIA & State Licenses	 Instrumentation Records	 Quality Control Records	 Proficiency Testing	 Environmental Monitoring	 Personnel	 Quality Assessment	 Transfusion Services	 My Lab Documents
